Said Resolutions authorized the acquisitions of Parcels 100, 105, 111, 115, 116, 117, 118, 119, 120, 124, 125, 127, 133, 134, 136, 139, 140, 143, 144, 151, 152, 154, 155, 156, 157, 158, 160, 161, and 167 needed for the roadway expansion, along SW 137 Avenue from US-1 (SR5) to SW 200 Street as originally designed (Original Project). Approval of the attached Resolution authorizes the elimination of these properties from acquisition in connection with the Original Project, many of which will be eliminated or modified in connection with a redesigned project (Redesigned Project).

SCOPE

The properties are located within Commissioner Daniella Levine Cava's District 8.

FISCAL IMPACT/FUNDING SOURCE

Funding for the right-of-way acquisition, design and construction of the Redesigned Project will be provided by the Charter County Transportation Surtax Bond Fund proceeds, and may be supplemented by other eligible funding sources. Funding is programmed within the adopted 2015-16 Right-of-Way Acquisition for Construction Projects Countywide (P2000000537) Site 76078 in Commission District 8. There is no negative fiscal impact from the elimination of these parcels.

TRACK MONITOR

The Department of Transportation and Public Works (DTPW) is the entity overseeing this item and the person responsible is Mr. Francisco Fernandez, Chief Real Estate Officer, DTPW, Roadway Engineering and Right-of Way Division.

BACKGROUND

In an effort to reduce costs, the Original Project was re-evaluated for cost effectiveness and subjected to value engineering. These efforts resulted in the redesign of the Original Project, yielding cost savings, and minimizing the amount of right-of-way to be acquired, while maintaining the integrity of the project and adhering to the objectives set forth by the Board.

and Members, Board of County Commissioners
